Program assessment website *(Includes all outcomes and summary of your current report):*

B. Outcome Reporting

Include the following information for each outcome assessed this year:

(Note any non-assessed outcomes in the future plans area under Section C)

Student Learning Outcome

List the assessed program outcome

Assessment Method(s) *(must include at least one direct measure)*

Describe the assessment tools, measures, instruments, and/or forms of evidence utilized to demonstrate students' achievement of the learning outcomes. Provide information on who is assessed (what course(s) and students) and expected levels of student performance (minimum expected level, proficient level, etc.).

Results

Identify how many students were assessed and the number of students who achieved at each level of the program's expected achievement levels. Include a statement reflecting on what the results may mean to the program student achievement and programmatic expectation. Longitudinal tables of results are encouraged to identify trends and changes over time.

C. Program Self Review

Faculty Review of Annual Assessment Data and Process

Describe how program faculty reviewed the assessment results and process to decide on actions/revisions.

Program Improvements

Briefly describe any program improvements resulting from the assessment process. These can be direct instructional or curricular actions as a result of data, new insights or ways of thinking about assessment, and/or changes in the program's assessment processes.

Future Plans

If you did not assess one or more of your outcomes this year, list them here along with the year they will be assessed. In addition, briefly describe any future plans to improve the assessment process and/or student learning. Plans can be immediate or longer-term.

Summary of this Report – This should be posted on the Department webpage

A one paragraph summary that is reported on your program website and details student achievement of your program's learning outcomes and programmatic efforts to improve. During the Board of Regents Program Review, this will be the 8-year summary you will include in your Program Review Report (PRR).
