

# ALLISON CHAMBERS

• AGRICULTURE TEACHER •

(512) 294-1606 • Alliso1313@ksu.edu • Westmoreland, Kansas

## EDUCATION

---

**Kansas State University | Manhattan, KS**

**Aug. 2022 - May 2024**

**Master of Science**

- Agricultural Education and Communication

**Kansas State University | Manhattan, KS**

**Aug. 2018 - May 2022**

**Bachelor of Science**

- Animal Sciences and Industry Production/Management

## TEACHING EXPERIENCE

---

**Marysville High School | Marysville, KS**

**Spring 2024**

**Student Teacher**

•

## EXPERIENCE

---

**Kansas State University | Manhattan, KS**

**2022- Present**

**Graduate Research Assistant**

- Responsibilities include conducting literature reviews, designing experiments, collecting and analyzing data, collaborating with team members, presenting findings, contributing to research manuscripts and grant proposals, and monitoring undergraduate research assistants.

**Wickstrum Farms | Westmoreland, KS**

**2021-Present**

**Office Administrator**

- As an administrative support for farm management, tasks include scheduling meetings, answering phones, and managing correspondence. Additionally, overseeing inventory, managing vendor relationships, and maintaining comprehensive records of crop yields, and equipment maintenance. Utilizing software tools and spreadsheets to optimize organization with grain tickets, insurance, registration and vehicle inventory.

**Wedding Coordinator | Kansas & Texas**

**2023-Current**

- As a wedding planner, I work closely with couples to bring their vision to life within their budget. I handle all aspects of wedding planning, including vendor coordination, contract negotiations, and creative design. I manage guest lists, seating arrangements, and oversee logistics on the wedding day to ensure a stress-free experience for the couple.
