PROFESSIONAL DEVELOPMENT

- SAE for All training
- Kansas Foundation for Agriculture in the Classroom professional agriculture development
- Kansas Soybean Sponsored Agriculture Tour

AWARDS

- 5th place individual @ National Reining Horse Association in conjunction with the American Quarter Horse World show collegiate horse judging contest.

TEACHING EXPERIENCE

Student Teaching Intern

Girard High School

January 2024 - May 2024

Under the guidance of my cooperating teachers I plan to facilitate a full schedule of agricultural education courses, coach a number of career development event teams, and gain more insight on what it is like to be an FFA advisor. This experience will prepare me as a teacher and to take on a program of my own.

Kansas State University

Assistant Horse Judging Coach

March 2022 - December 2022

Starting in March with the course Beginner Horse Evaluation I introduced college students to the concepts of horse judging. In the fall I coached the team while the head coach was out on maternity leave. I traveled with the team to all contests and lead them to a 5th place finish at the AQHA World Show contest.

RELATIVE WORK EXPERIENCE

Kansas Foundation for Agriculture in the Classroom

January 2023 - Present

As the student intern I assist in all ways as needed. During my time employed with KFAC have assembled over 1000 kits with lesson plans to send to K-12 teachers around the state of Kansas. Additionally, I have assisted with curriculum development, promotional events, and video development.

Horseback Riding Instructor

Rancho La Rosa

June 2018 - August 2022

During my time at Rancho la Rosa I taught young people the basics of horses from everyday care up to advanced methods of riding.

INTERACTIVE FIELD EXERIENCE

Professional Development Lesson

Marion High School

November 2023

After being certified in the AgX CASE curriculum I was given the opportunity to facilitiate an AgX lab with two different classes at Marion High School.

Professional Development Lesson

Rock Creek High School

October 2023

Visiting Rock Creek High School two times I taught two different lessons. One over soil types and textures and another over dairy cattle judging. This gave me more experience and allowed me to become more comfortable in unfamiliar content areas.

Manhattan USD 383 Summer STEM Program

May 2023 - July 2023

USD 383 hosts a summer STEM program for students grades 5-8. During this summer STEM program I assisted my head teacher for 3 weeks. In the food science course we taught students the basics of food science. Additionally, every morning I met and with students and rode the bus to campus with them and rode back to the bus stop with them in the afternoon.

Professional Development Lesson

Wabaunsee High School

October 2021

Early in my educational journey at KSU I was given the opportunity to facilitate a lesson over a content area I was confident in. This gave me assurance In what I chose for my career path.
