This form lists new and major revision publications to be delivered by June 1, 2017. Each is listed by category. Please indicate the order quantity for each item. If these items are ordered at a later date, delivery may be delayed.

Order online at: www.bookstore.ksre.k-state.edu by May 1, 2017.

Order publications anytime online at: www.bookstore.ksre.k-state.edu or by mail or fax to the Department of Communications and Agricultural Education.

Do not send payment with this order. You will be billed for the cost of the publications plus tax (if applicable) and shipping. Credit card payment is also accepted.

RETURN POLICY

Publication returns will be accepted only from county/district offices, area offices, and departments. No returns will be accepted for videos, DVDs, CD-ROMs, or software. Publications must be returned within 60 days of ship date, in original condition, and include a copy of the original invoice. A credit will be issued to your account at the regular price, less a return fee of 25% of the catalog price (\$5.00 minimum).

Shipping: Orders will be shipped via the most economical method, unless otherwise indicated.

- Campus Pickup 1st Class UPS Fed Ex

KSRE BOOKSTORE ORDER FORM

QUANTITY	ITEM NUMBER	PUBLICATION TITLE AND DESCRIPTION	PRICE
		NEW/REVISED PUBLICATIONS	
		<i>Agriculture</i>	
	EP130 Revised	Foliar Fungicide Efficacy Ratings for Wheat Disease Management 2017. Erick De Wolf. Efficacy ratings for wheat fungicides determined by field testing over multiple years and locations in Kansas. 2-page, b/w.	\$0.20
	L514 Revised	Rangeland Management Following Wildfire. Walt Fick. This publication offers stocking rate and grazing information for producers after a rangeland wildfire. 4-page, full color.	\$1.60
	MF1155 Revised	Mowing Your Lawn. Jared Hoyle. Mowing basics for homeowners. Includes information on mowing height and frequency, pattern, mower operation, maintenance, and safety. 4-page, color.	\$1.60
	MF2129 Revised	Turfgrass Mowing for Professionals. Jared Hoyle. Mowing basics for professional turfgrass managers. Information on mowing height and frequency, clippings, mowing pattern, mower operation, blade sharpening, mower selection, maintenance, and safety. 4-page, color.	\$1.60
	MF3346	Black Widow Spiders. R. Jeff Whitworth and Holly N. Schwartz. The black widow is one of two spiders indigenous to Kansas that may be a threat to humans because of its venom. This fact sheet covers identification, life cycle and habitat, prevention, symptoms, and first aid. 2-page, color.	\$0.85
	MF3357	How much does Kansas Rangeland Burning Contribute to Ambient Ozone? Zifei Liu. One of the major air quality concerns associated with rangeland burning in the Kansas Flint Hills region is the contribution of smoke to elevated ground level ambient ozone. This publication illustrates how the smoke impacts on populated cities may be reduced through proper timing of burning. 4-page, color.	\$1.60
	MF3358	How much does Kansas Rangeland Burning Contribute to Ambient PM_{2.5}? Zifei Liu. The smoke from rangeland burning has resulted in air quality concerns, and smoke exposure constitutes public health concerns. The organic particles in smoke can have negative health impacts. This publication examines the effect of rangeland burning on measures of particulate matter in urban areas affected by this smoke. 4-page, color.	\$1.60
