

Agricultural Education VIP Day is designed to be an informational experience for students in their sophomore to senior years in high school and for any students looking to transfer to K-State Ag Ed from a community college. During the event, students, and their parents will have the opportunity to network with other prospective students, interact with current Agricultural Education students and faculty, speak to K-State Admissions Representatives, and tour K-State campus in Manhattan.

To register, please complete the following [form](#). There is no registration cost for this event, you will need to purchase a parking pass at the Union garage and lunch will be on your own in the Union.
