

# **4-H Welcome Road Signs**

# **Ordering Information**

Counties can now order official K-State Research and Extension 4-H road signs. Before ordering your county sign(s) there are a few steps you should take:

- **Contact the local jurisdiction** where the signs are going to be located and be sure that any local regulations are being followed.
- **Contact your local DOT Maintenance garage** and ask for assistance in flagging the state right-of-way. These signs cannot be placed in the state right-of-way and need to be on private property.
- Obtain the property owners permission to put them on their property.

Once you have completed these steps, please see <a href="bookstore.ksu.edu/4HMK144">bookstore.ksu.edu/4HMK144</a> for more information.
