

Unit Leaders Meeting, May 17, 2018

Unit leaders did not meet due to scheduling conflicts. Notes sent in via email are as follow:

Mark Stadtlander:

- Publishing group met with Megan Kennelly and Brooke Stiffler to discuss the next revision of the Garden Guide. I'd like to talk with Rob or Rollin and Gina about the practicality of making this a print-on-demand pub versus the cost of storing them. Work will probably begin after the first frost. The authors are also interested in making this an html webpage that will be more advanced than what I intend for our normal pages to be and they are willing to pay for the enhancements.
- Amy Hartman will be presenting to the Communicator's Brown Bag this Thursday on practical web searching.
- Mark will be out of the office May 18 and 21.
- Communicator of the Year committee met. They are planning on accepting nominations from outside the department this year.
